Description

Located just a few yards above the beach, Villa Lodge 4 épices overlooks the lagoon in Grand Cul de Sac. The Villa Lodge 4 épices is a luxurious intimate and charming hotel, composed of: • 3 Lagoon Suites called Muscade, Citronnelle and Cannelle. • The Pool Suite (Anis étoile) with a private swimming pool and a full fitted kitchen. • The Villa Safran, a two-bedroom villa. The Villa has been Built on top of one of the oldest stone cisterns on the island, with outstanding panoramic views of the lagoon and the ocean. Marie-Aimée Perrier, a French decorator from the Ecole des Arts Déco in Strasbourg, created the elegant yet innovative design of the suites. Each suite has the name of a spice—Nutmeg, Citronnelle, Cinnamon, Saffron, and Star Anise—evoking the colors of the Caribbean. The ambiance is contemporary, with concrete side by side with velour, wood and metallic finishes mesh, while transparent
