With its pristine white-sand beaches and sunshine-filled days, the varied and upscale island of St. Barts is the ideal destination to spend your endless summer days. Book your trip and stay at the incredible hotel destinations that the Caribbean paradise has to offer, each providing unique concierge and experiences that are sure to make your stay even more special. From Baby Bonding Experiences to state-of-the-art cooking and mixology classes, these three Saint Bart resorts provide something rare that every guest is sure to enjoy.

### Cheval Blanc St-Barth: Baby Bonding Experience

- **Cheval Blanc St-Barth** extends a warm welcome to its youngest guests through the resort's **Baby Bonding Experience**, offering a day of relaxation and connection. The luxury hotel concierge program has thoughtfully crafted an exceptional encounter that ensures parents and their little ones forge everlasting memories while developing new skills. This program encompasses a soothing baby body massage and an educational session on the art of massaging, a serene spa treatment tailored to alleviate the discomforts of pregnancy, an Aqua-Osteopathy session exclusively for the baby, and a supervised introductory swimming lesson in the pool. Cheval Blanc's skilled culinary team is also available to cater to children's dietary needs, preparing nourishing purees or specific dishes upon request.

### Hôtel Barrière Le Carl Gustaf St Barth: Catamaran Day

- Embark on an unforgettable adventure and enjoy a captivating sea excursion aboard **Le Carl Gustaf's luxurious catamaran**, arranged with the remarkable skills of the hotel's esteemed Golden Keys Head Concierge. The concierge will meticulously arrange a unique journey tailored to surpass every guest expectation. Witness the mesmerizing beauty of the Caribbean and enjoy a relaxing and rejuvenating day on the water during this incredible experience.

## Rosewood Le Guanahani: Cooking and Cocktail Master Classes

- Rosewood Le Guanahani's **culinary master classes** welcome guests to join the world-class culinary team of Beach House St. Barth to learn new skills, or sharpen existing ones, in a fun, interactive atmosphere centered around the art of island cuisine. This incredible opportunity allows you to live in the moment, sip a glass of wine or mocktail, and create a delightful dish of your choosing, all while surrounded by the island's stunning natural beauty. Similarly, the team at Bar Mélangé offers **mixology classes** for couples to broaden their knowledge of cocktails and learn the art of mixology under the guidance of professionals. From the fundamentals of ingredients to the proper handling of utensils, this class imparts couples with new skills to share on their next adventure behind the bar.
