SAINT-BARTHÉLEMY

This brochure provides a presentation of the members of our association.

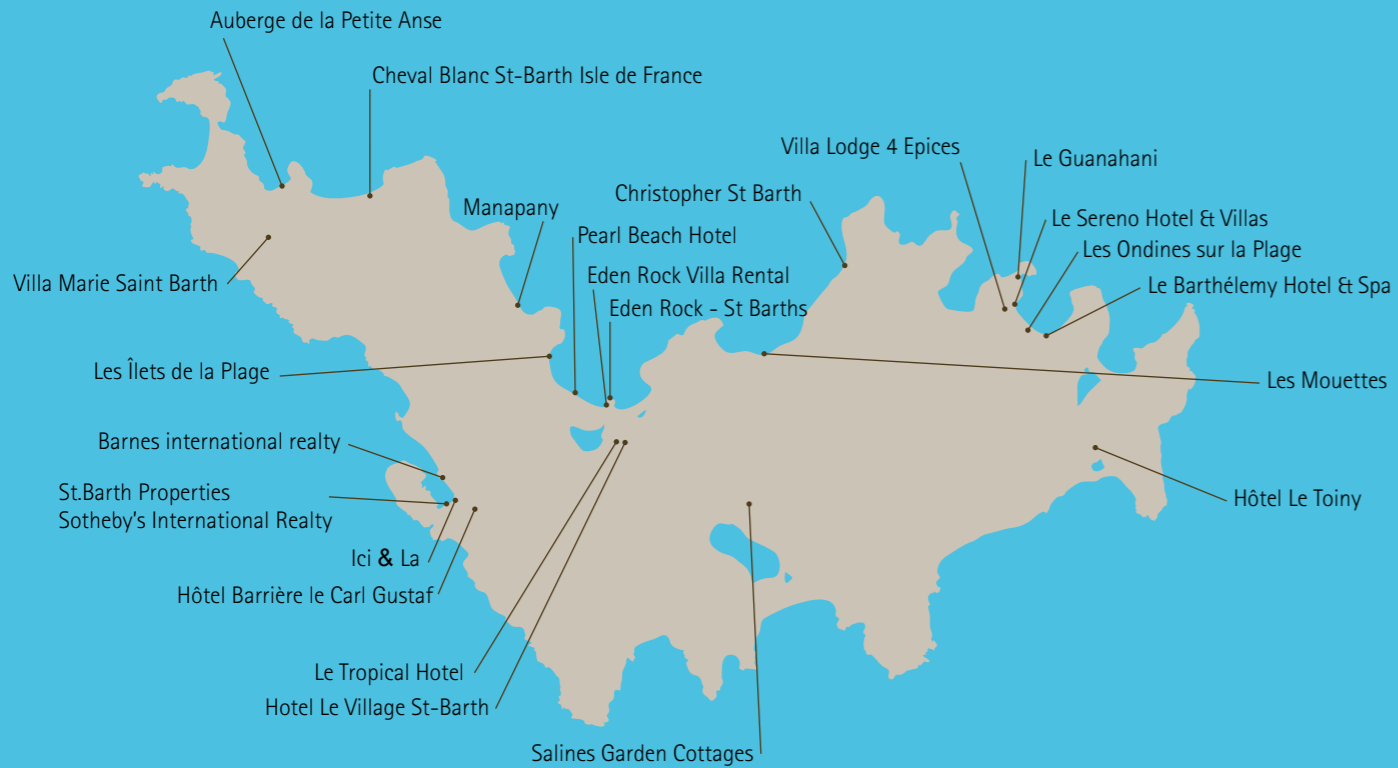

Composed of 23 members in total, we have been working together for many years to promote Saint-Barthélemy's image and to further develop tourism on the island and in its hotels and private villas.

Saint-Barthélemy is currently representing about 1200 rooms in villa rentals and 600 hotel rooms, of which our association represents approximately 500 hotel rooms and 600 rooms in private villas.

Accommodations in St Barthelemy are diverse, from deluxe 5-star hotels on the beach, to bed and breakfast-style operations nestled in quiet tropical gardens, to luxurious 6-bedroom villas with 360-degree views, to charming beachfront bungalows.

Each member of our association takes pride in offering our clients the intimacy, tranquility and incomparable quality service that they deserve.
