CULINARY BREAK

IN A RELAXED AND CONVIVIAL ATMOSPHERE, DISCOVER
THE TWO ICONICAL RESTAURANTS OF THE MAISON.

LA CASE

La Case is one of the iconic restaurants of Saint-Barthélemy. Captivated by the irresistible appeal of the French West Indies, nature lover Jean Imbert was inspired by the local terroir to create an authentic culinary experience. The menu showcases the highlights of Caribbean cuisine, treating the taste buds to an abundance of flavours. The responsibly sourced fish is enjoyed raw. Island spices enhance the flavours of the meat, while herbs grown on Saint-Barthélemy subtly complement each vegetable dish. Caribbean fruits and cocoa form the delectable core of the dessert menu.

LA CABANE

Reference for insiders, La Cabane unveils a new setting. Perfect for a relaxed meal in the Caribbean, it is located on the seaside with the view on the Flamands Bay. Featuring a refreshing Caesar Salad, the iconic Flamands burger and a new take on the artichoke salad with parmesan shavings, the menu will tantalise everyone's taste buds.

Both restaurants have been designed by Jacques Grange and may also be transformed into a festive private venue for celebrations organised in collaboration with the Maison's Alchemists.

THE WHITE BAR

The White Bar serves a selection of refreshing cocktails and light dishes. Overlooking the beach, it offers an idyllic setting with panoramic views over Flamands Bay and the mesmerising sailboats dancing on the horizon.

CARTE BLANCHE

At any time, guests may enjoy an in-room Carte Blanche dinner orchestrated in the intimacy of their private terrace or lush garden. Upon request, a bespoke menu can be specially conceived with the Chef, to delight every palate.

CULINARY JOURNEYS

A team of experienced Alchemists imagine exclusive culinary journeys to inspire new gastronomic curiosities: a tailor-made Mini-Moke picnic, gourmet break on the beach or romantic dinner cruise on a private sailboat in the bay...
