Each guest chef will be hosted by a partner hotel or venue where they will create and prepare a special multi-course menu to be served for a total of four nights throughout the festival. Featuring a mix of their signature dishes, as well as locally sourced dishes, each guest chef's menu will highlight their creativity and expertise to residents and visitors alike.

Throughout the festival, several contests, where the guest chefs will serve as judges, will also be held. These include:

- The St. Barts Bartender Contest followed by the Garçons de Café race
 - The Saint Barth Chef Challenge
 - The P'tites Toques Competition

«It is a real pleasure and honor to host the 9th annual St. Barts Gourmet Festival. I am thrilled to also share that for the first time in the history of this festival, the guest chefs are required to prepare at least one dish with local products so that they can discover and highlight the treasures of our island with guests.»

Pascale Minarro-Baudoin,
President of the Tourism Committee of Saint-Barthélemy
