ST. BARTS

Saint Barthelemy continues to make progress in its recovery from Hurricane Irma. As of press time, 18 of the destination's 28 hotels were open, as well as 80 percent of the villas. All shops and beaches, as well as 60 of the 80 restaurants, are also open. Among the properties about to return to operations is Hotel Le Toiny, which will open its doors on October 15 with eight new villas and its first-ever beachfront pool.
